# Van Dorn

**PIONEER and LARGEST IN THE FIELD**

Since 1872 THE VAN DORN IRON WORKS COMPANY has been engaged in the design, manufacture and erection of detention and accessory equipment, for all types of correctional institutions. Starting with a small shop 87 years ago, The VAN DORN organization has grown to be the largest manufacturer of prison equipment in America. Today VAN DORN occupies a modern plant covering 8½ acres of ground with more than 400,000 square feet of floor space. VAN DORN staff and plant facilities are unexcelled, and can efficiently handle any type or size of jail or prison installation.

In 1878—A Small Shop with a Few Men.
